

Connecting Parents to Canvas

Edited 8/17/2020

Step One: Parents...download the Canvas Parent app from your app store. Open the app.

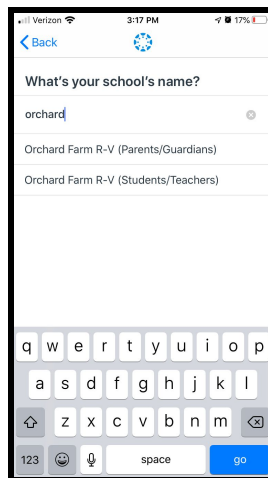

Step Two: Tap on the blue box, **“Find School”**.

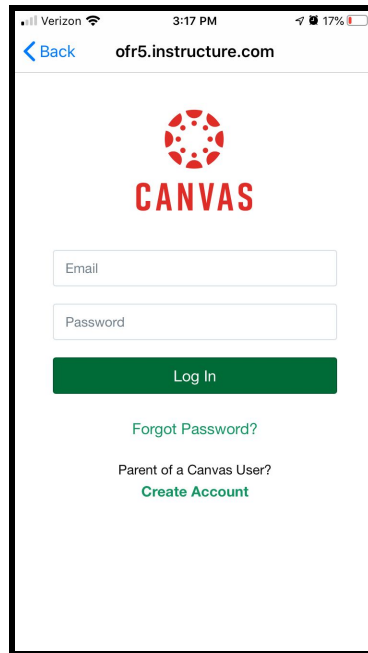

Step Three: Type in **Orchard Farm**.

When Orchard Farm R-V (Parents/Guardians) pops up, tap on that option.

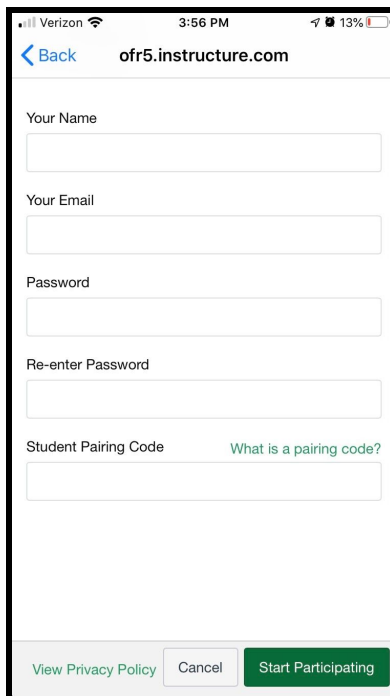

Over>>

Step Four: Click on “Create Account”

A screenshot of a mobile phone screen displaying the Canvas login page. The status bar at the top shows 'Verizon', signal strength, time '3:17 PM', and battery level '17%'. The page header includes a blue back arrow and the URL 'ofr5.instructure.com'. The Canvas logo is centered. Below it are two input fields labeled 'Email' and 'Password'. A green 'Log In' button is positioned below the password field. Further down, there is a green link 'Forgot Password?' and a section titled 'Parent of a Canvas User?' with a green link 'Create Account'.

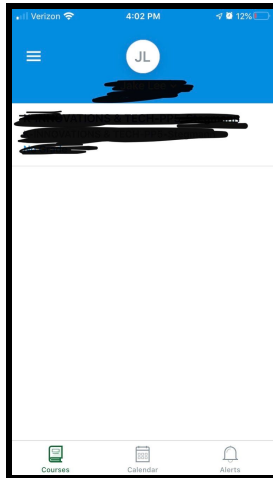

Step Five: Enter your **name, an email address, password,** and **student pairing code** you received from your child’s teacher or your child. Then click **Start Participating**.

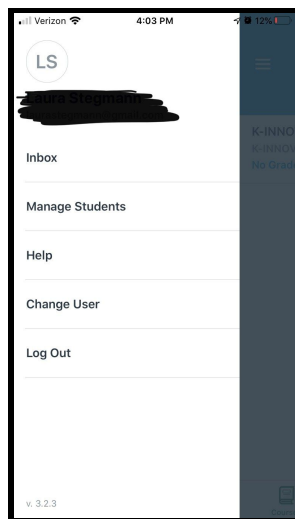

A screenshot of a mobile phone screen displaying the Canvas account creation page. The status bar at the top shows 'Verizon', signal strength, time '3:56 PM', and battery level '13%'. The page header includes a blue back arrow and the URL 'ofr5.instructure.com'. The form contains five input fields with labels: 'Your Name', 'Your Email', 'Password', 'Re-enter Password', and 'Student Pairing Code'. A green link 'What is a pairing code?' is located to the right of the 'Student Pairing Code' label. At the bottom, there are three buttons: 'View Privacy Policy' (green text), 'Cancel' (white text on a grey button), and 'Start Participating' (white text on a green button).

To Add Additional Students:

On the screen for the child that was just added, click on the **three stacked lines** in the top left.

Choose **Manage Students**

Click the **plus sign** in the upper right corner.

Enter the **student pairing code** for your next child. Repeat these steps for additional children.

The screenshot shows a mobile application interface. At the top, the status bar displays 'Verizon', signal strength, time '4:03 PM', and battery level '12%'. The app's header is blue with a '< Back' button on the left and a '+' icon on the right. The main title 'Manage Students' is centered in the header. Below the header, there is a profile card for a student with initials 'JL' and a blurred name. A modal dialog box titled 'Add Student' is centered on the screen. It contains the instruction 'Input the student pairing code provided to you.' and a text input field labeled 'Pairing Code'. At the bottom of the dialog are two buttons: 'Cancel' and 'Add'. A QWERTY keyboard is visible at the bottom of the screen, indicating the app is in a text entry mode.
